Well, you only need the light when it's burning low  
 Only miss the sun when it starts to snow Only know you love her when you let her go  
 Only know you've been high when you're feeling low  
 Only hate the road when you're missing home  
 Only know you love her when you let her go And you let her go

Staring at the bottom of your glass hoping one day you'll make a dream last  
 But dreams come slow, and they go so fast you see her when you close your eyes  
 Maybe one day you'll understand why everything you touch surely dies

**Chorus :**  
 Well, you only need the light when it's burning low  
 Only miss the sun when it starts to snow Only know you love her when you let her go  
 Only know you've been high when you're feeling low  
 Only hate the road when you're missing home  
 Only know you love her when you let her go

Staring at the ceiling in the dark Same old empty feeling in your heart  
 'Cause love comes slow, and it goes so fast you see her when you fall a - sleep  
 But never to touch and never to keep  
 'Cause you loved her too much, and you dived too deep

**Chorus....** + ( And you let her go - ohouho, ooh, ooh ) x 2  
 ouuuuu, ouuuuu, ouuuu,  
 And you let her go , ouu, ouu, ouu, + **Chorus...**  
 ouu, ouu, ouu

Cause, you only need the light when it's burning low  
 Only miss the sun when it starts to snow Only know you love her when you let her go  
 Only know you've been high when you're feeling low  
 Only hate the road when you're missing home  
 Only know you love her when you let her go And you let her go
