### People Have The Power - Patti Smith

D G  
I was dreaming in my dreaming  
D G  
In the form of shining valleys  
F#m G  
That the people have the power

D G  
Of an aspect bright and fair  
D G  
Where the pure air recognized  
D Em  
To redeem the work of fools

D G  
And my sleeping, it was broken  
D G  
And my senses newly opened  
F#m G  
From the meek the graces shower

D G  
But my dream it lingered near  
D G  
Well, I awakened to the cry  
D A %  
It's decreed, the people rule

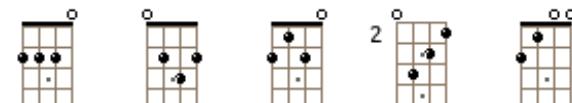

D G Em A  
People have the power People have the power People have the power People have the power  
[ D G ] (x 2)

D G D G D G D G  
Vengeful aspects became suspect And bending low as if to hear And the armies ceased advancing Because the people had their ear  
D G D G D G D G  
And the shepherds and the soldiers And they lay among the stars Exchanging visions and laying arms To waste in the dust  
F#m G D Em F#m G D A %  
In the form of shining valleys Where the pure air recognized And my senses newly opened Well, I awakened to the cry

D G Em A D G Em A  
People have the power People have the power People have the power People have the power  
[ D G ] (x 4)

D G D G D G D G D G D G  
Where there were deserts I saw fountains Like cream the waters rise And we strolled there together With none to laugh or criticize  
D G D G D G D G D G D G  
And the leopard and the lamb Lay together truly bound I was hoping in my hoping To recall what I had found  
F#m G D Em F#m G D A %  
I was dreaming in my dreaming God knows a purer view As I lay down to my sleeping I commit my dream to you

D G Em A D G Em A D G Em A

Intro : G Cm G Cm Fm Cm G G...

G... Bm... Am... Am6...

Il fait toujours beau au-dessus des nuages Mais moi si j'étais un oiseau, j'irais danser sous l'orage

G... Bm... Am... Am6...

Je traverserais les nuages comme le fait la lumière J'écouterais sous la pluie la symphonie des éclairs

G Bm Am Am6 G  
Dès sa plus tendre enfance elle ne savait pas Parler autrement qu'en criant tout bas  
Bm Am Am6 (/NC)  
Pas faute d'essayer de les retenir Ces cris et ces larmes qui les faisaient tant

Il fait toujours beau au-dessus des nuages Mais moi si j'étais un oiseau, j'irais danser sous l'orage

G Bm Am Am6

Je traverserais les nuages comme le fait la lumière J'écouterais sous la pluie la symphonie des éclairs

G Bm Am  
En grandissant rien ne s'est calmé Petite tempête s'est trouvée  
Am6 G  
Des raisons de pleuvoir autant Qui pourrait l'aimer franchement ?  
Bm Am  
Personne n'aimerait se retrouver Au cœur d'une tempête, avouez  
Am6 Am  
Il y a des raisons de pleurer Elle a ses raisons, mais ...

G Bm Am Am6

Il fait toujours beau au-dessus des nuages Mais moi si j'étais un oiseau, j'irais danser sous l'orage

**E(7)**

Warm smell of colitas rising up through the air

And I was thinking to myself this could be heaven or this could be hell

**G**

**D**

Up ahead in the distance, I saw a shimmering light

Then she lit up a candle, and she showed me the way

**Em**

**F#(7)**

My head grew heavy and my sight grew dim I had to stop for the night

There were voices down the corridor, I thought I heard them say

**G**

**D**

Refrain:    Welcome to the Hotel California.

**F#(7)**

**Bm**

Such a lovely place (*Such a lovely place*) such a lovely face

**G**

**D**

Plenty of room at the Hotel California

**Em**

**F#**

Any time of year (*any time of year*) you can find it here

**Bm**

**F#(7)**

Her mind is Tiffany twisted, She got a mercedes benz

So I called up the captain; Please bring me my wine (*he said*)

**A**

**E(7)**

She got a lot of pretty pretty pretty boys she calls friends

We haven't had that spirit here since nineteen sixty nine

**G**

**D**

How they danced in the court yard sweet summer sweat

And still those voice are calling from far away

**Em**

**F#(7)**

Some dance to remember Some dance to forget

Wake you up in the middle of the night Just to hear them say

**G**

**D**

Refrain:    Welcome to the Hotel California

**F#(7)**

**Bm**

Such a lovely place (*Such a lovely place*) such a lovely face

**G**

**D**

Livin' it up at the Hotel California

**Em**

**F#...**

What a nice surprise (*What a nice surprise*) Bring your alibis

**Bm**

**F#(7)**

Mirrors on the ceiling; the pink champagne on ice (*and she said*)

Last thing I remember, I was running for the door

**A**

**E(7)**

We are all just prisoners here , of our own device

I had find the passage back to the place I was before

**G**

**D**

And in the master's chambers, They gathered for the feast

"Relax" said the night man; we are programmed to receive

**Em**

**F#(7)**

They stab it with their steely knives but they just can't kill the beast

You can check out anytime you like But you can never leave..
