**Bm**

**F#(7)**

On a dark desert highway, cool wind in my hair

There she stood in the door way; I heard the mission bell

**A**

**E(7)**

Warm smell of colitas rising up through the air

And I was thinking to myself this could be heaven or this could be hell

**G**

**D**

Up ahead in the distance, I saw a shimmering light

Then she lit up a candle, and she showed me the way

**Em**

**F#(7)**

My head grew heavy and my sight grew dim I had to stop for the night

There were voices down the corridor, I thought I heard them say

**G**

**D**

Refrain:      Welcome to the Hotel California.

**F#(7)**

**Bm**

Such a lovely place (*Such a lovely place*) such a lovely face

**G**

**D**

Plenty of room at the Hotel California

**Em**

**F#**

Any time of year (*any time of year*) you can find it here

**Bm**

**F#(7)**

Her mind is Tiffany twisted, She got a mercedes benz

So I called up the captain; Please bring me my wine (*he said*)

**A**

**E(7)**

She got a lot of pretty pretty pretty boys she calls friends

We haven't had that spirit here since nineteen sixty nine

**G**

**D**

How they danced in the court yard sweet summer sweat

And still those voice are calling from far away

**Em**

**F#(7)**

Some dance to remember Some dance to forget

Wake you up in the middle of the night Just to hear them say

**G**

**D**

Refrain:      Welcome to the Hotel California

**F#(7)**

**Bm**

Such a lovely place (*Such a lovely place*) such a lovely face

**G**

**D**

Livin' it up at the Hotel California

**Em**

**F#...**

What a nice surprise (*What a nice surprise*) Bring your alibis

**Bm**

**F#(7)**

Mirrors on the ceiling; the pink champagne on ice (*and she said*)

Last thing I remember, I was running for the door

**A**

**E(7)**

We are all just prisoners here , of our own device

I had find the passage back to the place I was before

**G**

**D**

And in the master's chambers, They gathered for the feast

"Relax" said the night man; we are programmed to receive

**Em**

**F#(7)**

They stab it with their steely knives but they just can't kill the beast

You can check out anytime you like But you can never leave..
