INTRO: D G/A D%
                                   D
                         Α
Lord Almighty, I feel my temperature rising
                     G /
                             Α
                                                 %
Higher higher It's burning through to my soul
                            Α
Girl, girl, girl You gonna set me on fire
                                                   %
                     G
                           Α
My brain is flaming I don't know which way to go
CHORUS
    Bm / A
                  G
                                   Bm
                                                  G
Your kisses lift me higher Like the sweet song of a choir
                   G
                                      D
                                        %
                                                 ( G pour le
                               Α
You light my morning sky With burning love
                                                dernier couplet)
D
                                           %
Ooh, ooh, I feel my temperature rising
                           /
                               Α
Help me, I'm flaming I must be a hundred and nine
                     G
                           /
                                                     %
Burning, burning,
                   burning and nothing can cool me
I just might turn into smoke But I feel fiiine
<u>CHORUS + CHORUS en instru</u>
                        G / A
                                                   %
It's coming closer  
The flames are reaching my body
                       / A
                                                      %
Won't you help me I feel like I'm slipping awayyyy
                        G
                                 Α
It's hard to breath And my chest is a - heaving
                   G
                            Α
                                               %
Lord Almighty, I'm burning a hole where I lay
CHORUS
(G)
    With burning love (Burning love)
I'm just a hunk, a hunk of burning love
```

Just a hunk, a hunk of burning love x5 (ralentir puis finir sur un D...)
