 Gm
 When are you gonna come down
                                      When are you going to land
 I should have stayed on the farm,
                                   should have Listened to my old man
                                        I didn't sign up with you
 You know you can't hold me fo-rever
 I'm not a present for your friends to open This boy's too young to be singing
