

HONOLULU BABY

While down on the South-sea islands
Under-neath the beauty of the stars
I strayed up-on some maidens
Who were strummin' on their little gui-tars
A hula maid was dancin'
And I knew I found my para - dise
So this is what I told her As I gazed into her eyes

REFRAIN :

Hono-lu-lu Ba-by, where'd you get those eyes
And that dark com--plexion I just i--do--lize
Hono-lu-lu Ba-by, Where did you get that style
And those pret-ty red lips And that sun-ny smile
When you start to dance Your hula hips en-trance
Then you shake it up and down Shake a little
here Shake a little there
Well you got the boy goin' to town

Hono-lu-lu Ba-by, Sure You know your stuff
Hono-lu-lu Ba-by Gonna call your bluff
