Em...
            A7...
                    Am..
She was a working girl
North of England way
                 CM7...
                          Am... / CM7... / Am... (ou Am / Amadd9 / Am) Amadd9 = 2002
          A7...
Now she's hit the big time
           G...
In the U.S.A.
                         A9...
                                (A9 = 0102)
And if she could only hear me
                  D7...
                       D... D < D7 < Bm7 < D7
This is what I'd sav.
                                Eb
Honey pie you are making me crazy
                                                              Eb / D7
                          D7
                    A7
 I'm in love but I'm lazy So won't you please come home.
Oh honey pie my position is tragic
                                                    G
                                                           F# / F
                         A7
 Come and show me the magic of your Hollywood song.
             A9 (0102)
You became a legend of the silver screen
                                                             Am D7 \ \ \
 And now the thought of meeting you Makes me weak in the knee.
                                    Eb
                                            E7
                you are driving me frantic
                                             Sail across the A-tlantic
Oh honey pie
                                              D7
 To be where you belong. Honey Pie, come back to me
                                      D7

                           E7
                                 A7
                                                    Eb / D7
                                               I like it like that
          (to me)
                            Eb
                                       E7
                                      Hot kind of music
        I like this hot kind of music
