

Refrain :            **C7**                                 '                                 **C7**                                 '

They tried to make me go to rehab I say a-no no no  
**C7**                                 '                                 **C7**                                 '

Yes, I've been black but when I come back you'll know, know, know  
**G7**                                 '                                 **F7**                                 '                                 '

I ain't got the time and if my daddy thinks I'm fine  
                              **C7**                                 /                                 **F7**                                 **C7**                                 '

He's tried to make me go to rehab I won't go go go

  

**E7**                                 '                                 **Am**                                 '

I'd rather be at ho-ome with Ray  
**F**                                 '                                 **Ab**                                 '

I ain't got seventy days  
                              **E7**                                 '                                 **Am**                                 '

Cos there's nothing, there's nothing you can't teach me  
**F**                                 '                                 **Ab**                                 '

That I can't learn from Mister Hathawa-a-ay  
**G**                                 '                                 **G7**                                 '

I didn't get a lot in class  
                              **F**                                 '                                 **F7**                                 '

But I know it don't come in a shot glass

Refrain ...

**E7**                                 '                                 **Am**                                 '

The man said why do you think yo-ou here?  
**F**                                 '                                 **Ab**                                 '

I said I got no-o idea  
                              **E7**                                 '                                 **Am**                                 '

I'm gonna, I'm gonna lose my baby  
**F**                                 '                                 **Ab**                                 '

So I always keep a bottle near  
**G**                                 '                                 **G7**                                 '

He said I just think you're de-pressed  
**F**                                 '                                 **F7**                                 '

This me, yeah baby, a-and the rest

Pont :                **C7**                                 '                                 **C7**                                 '

They tried to make me go to rehab I say a-no no no  
**C7**                                 '                                 **C7**                                 '

Yes, I've been black but when I come back you'll know, know, know

  

**E7**                                 '                                 **Am**                                 '

I don't ever want to drink again  
**F**                                 '                                 **Ab**                                 '

I just, ooh I just need a friend  
**E7**                                 '                                 **Am**                                 '

I'm not gonna spend ten weeks  
                              **F**                                 '                                 **Ab**                                 '

Have everyone think I'm on the mend  
**G**                                 '                                 **G7**                                 '

And it's not just my pride  
**F**                                 '                                 **F7**                                 '

It's just til these tears have dried

Refrain ...

-finir sur un.. **C7** (Block)
