TRYING TO GET TO YOU
Elvis Presley

(E) **E**
I've been traveling over mountains
Even through the valleys too
BREAK **A**
I've been traveling night and day
B7 **E**
I've been running all the way baby, try to get to you

E
Ever since I read your letter
Where you said you loved me true
BREAK **A**
I've been traveling night and day
B7 **E**
I've been running all the way baby, try to get to you

E7 **A**
When I read your loving letter
E
Well my heart began to sing
A
There were many miles between us
BREAK **B7**
But they didn't mean a thing

BREAK **E**
I just had to reach you Baby
Spite of all that I've been through
BREAK **A**
I kept traveling night and day
B7 **E** **E7**
I kept running all the way baby try to get to you

INSTRUMENTAL: **Ax2** **Ex2** **Ax2** **B7**

BREAK **E**
If I had to do it over
That's exactly what I'd do
BREAK **A**
I would traveling night and day
B7 **E**
And I'd still run all the way baby try to get to you

E7 **A**
Well now there's nothing that could hold me
E
Or could keep me away from you
A
Since your loving letter told me
B7
That you really love me true

BREAK **E**
Lord above, he knows I love you
Well it was he who brought me through
BREAK **A**
When my way was dark at night
B7
He would shine his brightest light
E
When I was trying to get to you.
