(*Original key : D#m*)   <u>In the End – Linkin Park</u>

<u>Intro</u> : **Dm... C... Dm... C... Dm... C... Dm... C...**

It starts with…
Dm   **C**
<u>One</u> thing, I don't know why, it doesn't even matter how hard you try
   Bb   **C**
Keep that in mind, I designed this rhyme to explain in   due   time
    Dm   **C**
<u>All   I   know</u>,   time is a valuable thing,   watch it fly by as the pendulum swings
   Bb   **C**
Watch it count down to the end of the day, the clock ticks life a-way

     Dm   **C**
<u>It's so un - real</u>, didn't look out be-low, watch the time go   right out the win - dow
Bb   **C**   **Dm**
Tryin' to hold on, did-didn't even know, I was-ted it all, just to <u>watch   you   go</u>
                                     C
I kept   everything   inside   and even though I tried, it all   fell a-part
  Bb   **C**
 What it meant to me   will even-tually   be a me-mory   of a time

<u>Chorus</u> :   **Dm**   **F**   **C**   **Bb**
<u>I tried   so   hard</u>*, and got so far____, but in the end__, it doesn't e-ven mat - ter*

      One thing, I don't know why, it doesn't even matter how hard you try

                                   C
 In spite of the way   you were mo -ckin' me, ac-ting like I was part of your pro -per-ty
Bb   **C**
Re-mem-be-ring   all the times   you fought   with me, I'm surprised it *got   so   far_*
                                                (Things…)
Dm   **C**
Things a-ren't the way they were before,   You wouldn't even recogni_ze me anymore
Bb   **C**
  Not that you knew_ me back then,   but it all comes back to me
      Dm   **C**
<u>In   the   end</u>, you kept e-verything in-side and even thou_gh I tried, it all fell a-part
Bb   **C**
What it meant to me   will even_tually, be a memory of a time when
